JUNE 2025

Dear Friend,

As we head into the warm months of summer, we at Pet Adoption Fund can look back to the past colder days of winter with fond memories as some of our pets found their long-awaited forever homes. We never give up hope for any of our dogs and cats as we know that special someone can come along any day and fall in love with their chosen fur baby. We have seen our dedication come to fruition in the most rewarding ways when we watch that lucky pet begin their new life with their new family. And we have you to thank for your support to make sure that we are here, year after year, to ensure that even our longer-term residents have their day in the sun.

Ash

Here are some of our recent success stories:

**Ash:** As a boy who was a bit leery of strangers, it took Ash extra time to gain his confidence and show the world what a wonderful companion he could be. He now thrives in his new home with his PAF alumni sister and family and we could not be happier for him. Go Ash!

Razzle

**Razzle:** Rescued from a high-kill shelter, this feline had a big personality that often put off potential adopters. Her feistiness ultimately mellowed and she is now loved and lives like a princess. A purrfect ending for this tabby girl.

**Piper:** After a string of bad luck our volunteers were determined to make sure that this senior girl would live out her golden years in a loving home. Their persistence paid off and she really hit the jackpot! She now shares her life with her new mom and is cherished and pampered. We love you Piper!

Piper

**Butterscotch:** One of the cutest kittens in her litter, her shyness made it difficult for her personality to shine through. One of our prior adopters immediately recognized her true potential and took her home to join her family. What a sweet ending for this tortie kitty!

We are truly grateful for your tax-deductible donations. We simply could not carry out our good work to help homeless pets without your generosity and ongoing support.
