Dear Friend,

Summer is almost upon us, a time to unwind a bit and enjoy the balmier days. Yet the season will not be happy and carefree for all, as animal shelters are once again filling to over-capacity levels. We always do our best to help at-risk dogs and cats through our no-kill rescue. Still, we rely on your ability to adopt one of our wonderful pets to provide the space we need to save even more lives. Please consider opening your hearts and homes to another during these volatile times.

Here are some of the lucky pets who came through our doors and found their forever homes:

Star

Star: We got the call that this gorgeous girl had a broken pelvis and was in need of immediate rescue. Without hesitation, we took her in and gave her all the medical attention and TLC she required for a full recovery. She now lives with wonderful people who say she is the greatest cat ever.

Nelson

Nelson: While in a public shelter, this sweet boy had his leg amputated after a car accident. He was bonded with another dog, and we were asked to rescue them both. Determined to place them together, we found them a loving home where they are living their best lives. No handicap for this tri-pod pup!

Milo

Milo: It is deeply sad to hear that a pet becomes homeless when his guardian passes away. But that did not dampen the spirit of this handsome boy as he acclimated quickly and was chosen to be a part of a wonderful home. A Purrfect next chapter to his story!

Lou: Rescued from a hoarding situation, this boy, along with two of his brothers, was on his last days at a county shelter. He was very shy and needed lots of love and socialization which is exactly what he received from our wonderful volunteers. Now he is the king of his new home, showing confidence and enjoying life to the max.

We are truly grateful for your tax-deductible donations. We simply could not accomplish our work helping homeless pets without your generosity and ongoing support.

Take care and have a wonderful summer!
